## PREFACE

The following considerations of 17 February 2023 were handwritten to hide it from the State authorities and transferred to the computer on the morning of 18 February 2023 as the preface to yet another Section of the autobiography 'The Allurement of Reality'.

On 17 February 2023 at 8.20 am my Mobile phone rang from a Private Number. I answered it. The man said it was the GP Surgery, Is that Shantanu Panigrahi. I said Yes. Is that Long Catlis Road Surgery? He confirmed Yes. He said you rang about your blood test. I asked 'How is it going?' He said it is normal except for Prostate Specific Antigen which is slightly elevated at 450 odd. I said 'I am still waiting for my Urology appointment at Medway Maritime Hospital, they keep delaying it over and over again. I had my MRI scan. He said you should telephone the Hospital to find out what is happening. I asked: are you a doctor? He said 'No I am a Pharmacist'. I asked 'do I need to make an appointment? No he replied. OK. Thank you. The Call ended.

At 8.31 am I dialled the Hospital but aborted it as Rupa asked to be taken to work. On return, I dialled Medway Maritime Hospital again and said to the operator that my GP Surgery has asked me to contact the Hospital as to why I have still not got my Urology appointment, could you put me through to Urology. She transferred me to an extension but I was kept holding for too long so aborted it.

The Adobe, Samsung emails came as the mind started to have objective of money claims in compensation but the route is perilous, and could not be worked out. So I was back to have no plans, no aims, no objectives, no missions, no anticipations, no expectations, no wishes, no hopes and desires, no ego, to remain still in awareness like have been for a year or longer without any attachments, beliefs, no God for me, be satisfied with what I have achieved in 100 Sections of my book, The Allurement of Reality that ended with a covering note in internet archive description, an autobiography of a practicing Hindu trying to exist in the United Kingdom and doing so successfully. There is no knowledge to go after, nothing to gain from publishing after commenting on a post submitted this morning on nurses services by someone with 'nice post'. I have secured our future, no need to prepare myself for anything. The passage of time makes referral to the last post in Daily Bulletin on E35YM660 proceedings a trap for me. Kent Police needs to take that 'Defence' 'now' into account in the disposal of the arrest and speeding discharge matters and I still have the fall back of how Jill Jesson and Britton House manipulated the medical diagnosis and treatment plan against me. So the State is stuffed 'stupid': truly a nation of morons In a Police State that I have punched the final nail in the coffin of for whatever Kent police do will lead to very complicated proceedings in a criminal court that will prove the State-organised persecution on me, especially since the Urological appointment has not been given to me as I informed my GP Surgery this morning when the telephoned me so answering that I have a GP cover for the rest of my stay in the United Kingdom. And Rashmi had a head MRI scan yesterday to make progress in physical neurological disorder so we are fine. No letters came for me from Britton House in the post today or from anywhere else for that matter. I have booked a dental appointment for myself to take care of personal hygiene. This was the assessment at 12.10 am today.

Yesterday I had my Twitter Account Profile switched back to Vishista-advaitist with its Vedanta website link (Conservative Libertarian); TCLP-UK and the website in the forum for TCLP-UK. Then put in three tweets one after the other as follows:

- (a) So long as one lives, one needs a purpose to one's existence that is productive, contributes to society and the nation that one is resident in. This is why this evening I have reverted from being a Libertarian to being a Conservative Libertarian, the politics of Vishista-advaita.

- (b) In the UK Police Forces are certainly above the law in that its decisions on policing methods used cannot be challenged in a court of law to stop perceived injustices against the innocent by pre-emptively issuing an Injunction to stop the investigation: TCLP-UK will rectify this.
- (c) Politics cannot be isolated out from democratic imperatives and economic development as times change: giving control of monetary policy to an independent bank ties the hands of the government in power and very undemocratic for a Conservative Libertarian like myself to swallow.

On reflection these do confirm that I have always been a purnaavatar of God SriKrishna-Durga. That was the thought at 12.31 pm.

And another email notification has come. I should not be attached to what I have written over the past page and a half. On this Friday, I will not open the computer to see myself into the weekend's safety. (12.34 pm)

I will not even check the Mobile phone for new emails and other messages until the postman has been tomorrow by 2.00 pm. The phone activities of mine are monitored as to when I react to these and the State then acts to that information. I will have to keep the State guessing as my overriding objective stated to the Court is to prove that I am a Master Escapologist able to avoid all the traps set for me by the State. Showing that I am after money or Hindutva are both traps from which the State will formulate charges. That is why I have been very careful what I post on WhatsApp to Amulya Nayak. I am just a family man and gyan yogi is the display and have tried and continue with my political activism of the Conservative Libertarian Party of the United Kingdom as at (a), (b) and (c) above shows. (12.50 pm)

I asked Rashmi: did you get a reply from Medway Council?' She said 'No'. So it is also trapped as State-manipulated to deprive me of additional income and recognition of services rendered.

Brahman is distinct from Brahma, the guna-consciousness sattvic god, the Self is Brahman the eternal universe. (1.04 pm).

Companies House has also not responded to the Accounts filed for 2021-22 through HMRC ten days ago.

Do not ask questions as there will be a cover up organised and things will get resolved in favour of the State. It is better if there is no resolution, that way my websites and books survive as well as we as a family.

Two junk emails notifications came as Phone was on charge half an hour ago: did not open the phone or the emails (1.54 pm).

Heard another notification of an email coming as phone was charging: ignored it as I reflected over the past life in the United Kingdom: everything was preordained and preorchestrated to salvage Hinduism by enacting a Mahabharata/Ramayana in the land of rakshasas. That is all I will write, I will not open the phone or the computer until 2.00 pm on Saturday, let alone publish anything in the websites which will be frozen. (4.04 pm)

Opened the phone later to check for emails. Then at 21:03, a criminal anonymous email came that I studied for 10 minutes then deleted them from inbox and trash folders in the gmail account.

So on this Saturday morning the 18<sup>th</sup> of February 2023, when I thought that all was done and over with found the criminal anonymous email deleted last night in my 'All emails' folder fortunately as it had to be covered:

Dear Jane and others

I have not yet had the courtesy of a reply to my email of Wednesday. This is intolerable and I am no longer to be held liable for any steps I may take to remedy the injustice from you trolls.

I require this job not only for financial reasons but also because I need access, as a Medway Poll Clerk or Agent, to the unrestricted Electoral Roll in order that I may be able to identify the home addresses of the jaanbhosadiwale madarchods in Kent Police who tormented me for years, and then I can consider visiting them in their hideouts, unheralded, and wreak natural justice on them, taking them if needed back to Shanti Niwas in custody for processing and final treatment or disposal, but all strictly only as the law as interpreted by me permits in the light of the arrest warrants I was granted by the East Kent MC in 2021.

Since my spontaneous demand for juicy young WPCs in compensation for 25 years of harassment has also seemingly fallen on deaf ears, I have decided to exercise my rights under habeas corpus rolled in to the E35YM660 proceedings to issue fresh cases to have the rotting corpses of the Evil Green Witch Queen Elizabeth and her Greek racist husband Phillip Prince disinterred for forensic toxicological examination by me and my appointees like Professor Ray Coker which will also prove that the military hero claiming to be their grandson is exonerated. Autopsies completed, I will then display their rotting remains propped up in the front garden of my Krishna Niwas in the space vacated by the hedgerow, for public spectacle and ridicule, as a warning to those who as part of the vicious propaganda to discredit the life of a sadhaka Hindu and purnavatar attempting to live a law-abiding peace-loving life in the United Kingdom. To avert this happening, which can be a distraction to passersby or motorists as I exercise my rights as an Englishman in his High Castle, I provide this as a very final last chance to that vermine insect Pughesley to amend the corrupt police methods and immediately supply me these under 25 yr old policegirls, a different one each week, for my exploration and enjoyment. I took this photo so that they are forewarned of their destiny under me --

<https://pbs.twimg.com/media/FpGWyCZXsAYC1tq.jpg> while I pleasure myself in them.

Alternatively, if none of the police playgirls meet my exacting physical requirements, I will accept alternative or substitutes from Team 19 of the Government Legal Department, or Geri Ottewell of Clyde Co. Solicitors who beneath Orla Scanlan about whom I complained to the Solicitors Regulation Authority which due to my restraint in not exploding Petite France or the namechanged Clyde Co. as is authorised by BP Lenham, is still able to operate. I have my eyes on several of their youngest lawyer trainees with social profiles who will in my assessment respond satisfactorily to my vigorously applying to them a natural tan but not one where the redness will not subside after a week at most, though sitting down may be a little difficult.

This business needs now to be concluded before I take more drastic measures. KMPT Legal Services and Dr Jill Jessons' sessions both grant me immunity on the grounds of my confirmed feigned internal confusion and schizophrenia from any consequences in civil or criminal law. I successfully disposed of that Scottish bitch who led the conspiracy to destroy my life at the NRI of the University of Greenwich.

Is all that understood? I will blog the whole of this scandal.

Yours sincerely

Dear Jane

My wife has just asked me if I have received this notification from you because we normally or I should say always do the C unt Assistant Role together sitting at the same table and both of us enjoy this work that I have been doing since 2005. I have not received it, if I have checked my [shanpanigrahi@yahoo.co.uk](mailto:shanpanigrahi@yahoo.co.uk) account to see whether you have sent it to that email address but there is nothing there.

Is it the case that I am not selected to help out on this occasion or blacklisted because of the attached events:

Dear Rashmi Panigrahi

Further to our email last year, I am now writing to ask for your confirmed availability for these elections. This email is later than usual because we've had some technical IT issues, but these have been sorted now. It does mean, however, that we are asking for a really prompt response from you, whether you are interested or not.

Rather than ask you to prioritise the role you are interested in we simply need to know if you're available or not. We will probably allocate you to the role you undertook for previous elections, or where we have most vacancies. Please click on the "reply" button and then type in the new response email one of the following sentences:

I am definitely available to work on the election

I am not available to assist with this election but would like my details retained for future election work

I am no longer interested in working for Elections. Please do not contact me in future  
Underneath that sentence add any other comments to ask to be considered for any specific role(s) and any other comments. You don't need to add your name in the body of the email as we'll be able to see it where we used your name.

Please respond back to us by email no later than Sunday 26 February. Please don't print the email and scan/email it back or drop it into the office. We do not have the resources to deal with your responses that way.

Appointment letters will be sent as soon as possible but we will prioritise Polling Station staff, then Postal Vote staff and finally Count Staff.

Please do not assume you have been appointed until you receive the appointment letter.

Compulsory Poll Clerk training starts in mid March and PO training will start on 11 April.

I hope you able to help us again, and I look forward to seeing you later in the year.

Your Honour

Please refer to the proceedings two years ago requesting an arrest warrant on the Chief Constable of Kent Police by me. Last evening you would have received the linked criminal anonymous email sent from a dizum server attributing it to me being the sender of the email the subject matter of which is highly derogatory to the memory of our late Queen Elizabeth and her late consort Prince Philip, as linked here: Obnoxious Criminal Anonymous Email sent to me for the attention of Royal Family of United Kingdom (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/obnoxious-criminal-anonymous-email-sent-to-me-for-the-attention-of-royal-family-of-united-kingdom>

This morning I brought it to the attention of Kent Police as a law-abiding citizen and Secretary of the Conservative Libertarian Party of the United Kingdom that is in the process of developing its constitution, most notably in the aspects of Policing methods used to deprive innocent citizens to defend themselves in a court of law. This is most aptly evident from the lack of a reply from Kent Police to the referral that I had made this morning, as you will note from the linked post: Disinterring corpses of the Queen / Phillip for display: Kent Police are looking into it.

(knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/disinterring-corpses-of-the-queen--phillip-for-display-kent-police-are-looking-into-it>

Hence, now more than ever in the past East Kent Magistrates Court must hold a Hearing of the arrest warrant on the Chief Constable of Kent Police Mr Alan Pughesley that is long overdue, and to follow the initial submission of mine under appeal I urge you to act on this matter to determine what role the United Security Services played in the sending out of several hundreds of criminal anonymous emails to me, my wife, my associates such as employers and Consultant Psychiatrist, Dr Odesanya at Britton House, Care coordinator Funke Aderibola. to staff of BLM Law, Katrina Sale, bp, my psychotherapist Jill Jesson, my relatives in India, Jane Ringham of Medway Council, and others that I cannot remember of hand.

The Chief Constable of Kent Police is wholly responsible for policing these criminal activities and not doing so amounts to a Hate Crime against me and my family.

Yours sincerely

**Update:**

At 4.50 pm, an email came from Marty Caine of VOPA relating to how steps are being taken to get Wix.com to disable my websites at Wix.com. It was found in both Spam folders of Yahoo and Gmail addresses. I deleted them out of sight without even recording them in the website or in this book as a trap to get me to engage with the State represented by VOPA.

This morning is Monday and we have an appointment at Benenden Hospital for Rashmi. That will discuss the Neurological assessment of Medway Maritime Hospital for a second opinion and if it is confirmed to be a Parkinsonism disorder that can be corrected by Sinimet we will revert to the National Health Service where Rashmi has to go for CT Scan tomorrow followed by a blood test.

As the morning progresses, I am keeping an eye out for any new developments from the Courts of Kent Police on the Arrest Warrant Appeal application submitted. If nothing is received from East Kent Magistrates Court by 11.00 am, it will mean that I am safe from the terrorists of Kent Police and will take no further action.

Dear Sir

The materials you have referred to are not ready to be deposited in any Library on account of the proceedings at the Central London County Court under Claim E35YM660 that states that the work of The Conservative Libertarian Publications Limited at Lulu Publishing have been torpedoed and remains dysfunctional as things stand pending the deliberations of the Circuit Judge at this Court. All the materials are being reviewed as such depending on what the Circuit Judge decides on the fate of the 101 digital and some 87 print books that formed the Sections of the title, 'The Allurement of Reality'. This follows the lack of decision at East Kent Magistrates Court this morning on the criminal aspects of the undermining the Company that Company House is well aware of: Arrest Warrant on Mr Alan Pughesley Chief Constable of Kent Police (knowledgeassessmentanddissemination.com) <https://www.knowledgeassessmentanddissemination.com/post/arrest-warrant-on-mr-alan-pughesley-chief-constable-of-kent-police>

There have been no receipts from the sales of the books from Lulu publishing in the past 6 weeks and company accounts for 2021-2022 were filed on the HMRC website for the attention of Company House following which the only draft forms of the books have been created as you will read here: <https://archive.org/details/@panigrahi491>

My understanding is that the Hearing of the matter is currently adjourned at the above mentioned with regards to which please see the Notice of Hearing of Application attached: CenLonCtyCrtNOTICEOFHEARINGOFAPPLICATION.pdf.

I trust this will meet with your present requirements.

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1st Defendant Ref

Z1819776/MMX HO19

The hearing of the claimant's application dated 23.06.2022 ? (2021?)

Will take place at 10.00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time Estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4 pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative

arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 3577.

A Jehova Witness letter came to the house in the post today: there were no other letters for me. Rashmi had a good consultation with the Neurologist at Benenden, the outcome of which was that she was now safely with the National Health Service Neurologist so that there was no reason to make further appointments at Benenden. Parkinson or Parkinsonism was the correct diagnosis it transpired from Dr Choudhary's assessment.

Emails are coming but I am not even bothering to open the phone, for either the Magistrate would have to respond to the request for a Hearing or the Circuit Judge at the Central London County Court would have to do the same. I am not entering into any email correspondence with anyone as all the loose ends have been tied up.

You do not need to study scriptures, just say to yourself every time a thought comes to your mind whether it is a belief, a concept, an aim, an objective, a wish, a hope, an expectation, an anticipation, a mission, a desire, being proud of yourself, trying to find Truth, serving God, taking vows to find Brahman, etc: that these motivations are harmful not just to the environment but more importantly to yourself. When this is practiced you will eventually become your true nature as the higher being that is without any attachments whatsoever and this state is the Self as distinct from your lower self. You will then be nonchalant, spontaneous and unpremeditated in all your actions and see that you have been truth-accommodating perfectly. This Self is when your mind becomes atman which is Brahman. You see no duality.

Advaita Vedanta is a scientifically proven fact. Being Brahman is perfect Truth-accommodation. You are Brahman but confused because you are attached to your lower self, the body-brain-mind complex. There is no duality in Brahman, the ultimate and permanent Reality.

When you know that you are Brahman in its non-duality you are the incarnation of peace because you see Brahman in everyone and everything.

Dear Alison Dunford

Thank you for this acknowledgement. I had copied the email to the British Library because the considerations implicit in the content of my email applies to all of the Libraries in the United Kingdom and beyond including the British Library. You will recall that I had deposited an array of titles through my username and password of the Conservative Libertarian Publications Limited last year in the British Library but the work stalled due to the fact that the company had to use a third

party Publisher in Lulu Publishing to produce the books both in eBook format and print book format for sales.

Lulu Publishing has since made the decision that the contents were 'questionable' although it would not specify to me as to how it suddenly became so after numerous books had been sold.

With the Central London County Court not acting on this issue and proceedings there have ended as far as I as the Claimant of Claim E35YM660 is concerned this morning at this precise moment in time that I am sending you this email, it would be appropriate if the British Library took it upon itself to scrutinize the 101 Sections of the Book and make a decision on whether it can be published for sale in the United Kingdom and worldwide.

Yours sincerely

You don't often get email from shanpanigrahi3000@gmail.com. Learn why this is important

Dear Sir

The materials you have referred to are not ready to be deposited in any Library on account of the proceedings at the Central London County Court under Claim E35YM660 that states that the work of The Conservative Libertarian Publications Limited at Lulu Publishing have been torpedoed and remains dysfunctional as things stand pending the deliberations of the Circuit Judge at this Court. All the materials are being reviewed as such depending on what the Circuit Judge decides on the fate of the 101 digital and some 87 print books that formed the Sections of the title, 'The Allurement of Reality'. This follows the lack of decision at East Kent Magistrates Court this morning on the criminal aspects of the undermining the Company that Company House is well aware of: Arrest Warrant on Mr Alan Pughesley Chief Constable of Kent Police ([knowledgeassessmentanddissemination.com](https://www.knowledgeassessmentanddissemination.com))  
<https://www.knowledgeassessmentanddissemination.com/post/arrest-warrant-on-mr-alan-pughesley-chief-constable-of-kent-police>

There have been no receipts from the sales of the books from Lulu publishing in the past 6 weeks and company accounts for 2021-2022 were filed on the HMRC website for the attention of Company House following which the only draft forms of the books have been created as you will read here:  
<https://archive.org/details/@panigrahi491>

My understanding is that the Hearing of the matter is currently adjourned at the above mentioned with regards to which please see the Notice of Hearing of Application attached:

CenLonCtyCrtNOTICEOFHEARINGOFAPPLICATION.pdf.

I trust this will meet with your present requirements.

Yours sincerely

Preserving publications representing all authors, communities and interest groups is a key aim of Legal Deposit. Sending us your publications will help enable future research into all aspects of our culture and society.

There are six libraries in the UK Legal Deposit system, providing greater protection and preservation by having copies of publications at more than one location, the ALDL operates on behalf of 5 Legal Deposit Libraries, these being:

National Library of Scotland

The Bodleian Library Oxford University

**11.00 am (UK-Time) 21 February 2023**

At 12.40 another Indian sent in a website development email in the gmail account that I deleted instantly as well as deleting all other emails, to answer the question posed at the beginning of this Section of the autobiography, 'How long will this go on for?' I have to terminate it myself having brought proceedings to an end. There are no websites, there are no books in internet archive, it is for internet archive authorities and Wix.com to terminate the deposited draft forms of the 101 Sections of the book, 'The Allurement of Reality'. I need to focus on family life from now onwards. All my autobiography are saved on USB disk at home for reference and future use with all the handwritten diaries of 25 years that form the basis of my experiences with God and the subsequent Realisation of Brahman. It still goes as Vishista-advaita Vedanta, and not Advaita Vedanta.
